

IZZY & IRENE'S

KT WEDDING

On Saturday last, the 13th of September, the sky was blue and the sun was shining on E.Kt. Izzy and his bride Irene. They were to 'tie the knot' at our spiritual home in Temple Balsall before their family, friends and a whole retinue of Knights Templar in full regalia.

With the traditional wedding march being resoundingly played Irene was escorted up the aisle by E.Kt. Denis Plater who safely delivered her to the side of Izzy.

Our good friend, and 'newish' incumbent at St Mary's, the Revd. Debbie, conducted a wonderful ceremony tailored beautifully to the Bride and Groom.

The whole atmosphere was one of love, friendship and Knightly honour.

The hymns were sung with a gusto that resounded around the church. Revd. Debbie gave a most fitting and entertaining address that was totally Izzy and Irene focused.

There not being a vestry at St. Mary's the congregation were able to witness the Register being signed over the altar table.

Although the rain had suddenly 'hammered down' during the ceremony everyone emerged back to glorious sunshine for the traditional photographs.

Ceremony done and photographs taken, everyone decamped to the marques on the front lawn of Temple House for the 'wedding breakfast.' The after-proceedings were overseen by The Best Man, E.Kt. Glyn Evans. With Glyn in charge what could possibly go wrong ? He even arranged for the next short downpour to wait until we were safely in the tents !
